Edgewater Branch, Chicago Public Library

Rome and Paris have been known for centuries for their beautiful fountains gracing their urban environment. Well, Chicago is no slouch when it comes to fabulous fountains as we will hear from Greg Borzo, a longtime Edgewater favorite who will be talking about his latest book *Chicago's Fabulous Fountains*. Greg has been an audience favorite and we expect this event will be no less. One reviewer wrote, "A beautiful photography book and a guide to the city's many fountains, *Chicago's Fabulous Fountains* also provides fascinating histories and behind-the-scenes stories of these underappreciated artistic and architectural treasures of the Windy City."
